

Dear

We are pleased to receive your application and deposit for 2010's camp. You have joined a select group that includes many college and professional players. This letter has a suggested clothing list, directions to the **Embry Riddle University**, and check-in times. The camp will not be responsible for money or valuable items left in campers' rooms. If you bought new soccer shoes, make sure that they are broken in before you get to camp. Blisters just aren't much fun! If you have any questions before camp starts, call us. Get ready for a great week at camp and see you this summer!
