

Dear

We are pleased to receive your application and deposit for this summer's camp. You have joined a select group that includes many college and professional players. This letter includes a suggested clothing list, directions to Westmont College in Santa Barbara, and check-in times.

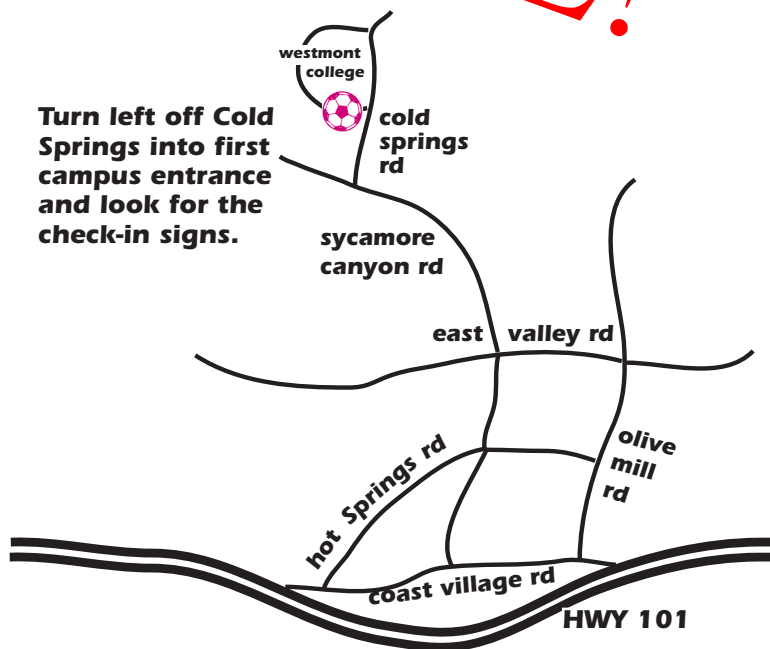

Since there are vending machines for soft drinks in the dorm area, the camp will run a bank to hold campers' spending money. The Academy is not responsible for money or valuable items left in campers' rooms.

**If you bought new soccer shoes, make sure that they are broken in before you get to camp. Blisters aren't much fun!** Campers will have phones in their rooms. These phones can receive calls and make credit card or collect calls off campus. Misuse of the phone will result in it being removed from your room and you explaining to your parents why they can't call you.

If you or your parents have any questions before camp starts, give us a call or email. Get ready for a great week at camp and see you this summer!

Director

# SAVE!
